DUNE

SINCE **1993**

En 1993 nacimos con un claro propósito: crear materia que sorprenda y permita crear proyectos singulares. Desde nuestros orígenes, hemos explorado las posibilidades técnicas y estéticas de la cerámica, para ofrecer productos diferentes e innovadores, capaces de potenciar la originalidad y autoexpresión de las personas, haciendo así un mundo más rico en belleza y en sensaciones.

Dune nace en el corazón de la mayor zona productora de cerámica española, dentro de un grupo empresarial dedicado al diseño y fabricación de cerámica pero con un punto diferencial, y es que siempre hemos tenido una especial sensibilidad por la estética y la tactilidad de nuestras piezas, ilusión que nos mueve día tras día y que queremos contagiar a través de nuestros diseños.

En poco tiempo, Dune ha expandido su capacidad creativa a nuevos materiales y productos, transformando la piedra, el cristal, el metal o la madera en revestimientos, pavimentos, mosaicos y lavabos de gran belleza y singularidad.

Así, con más de 25 años de experiencia y con la ilusión y energía del primer día, DUNE se ha convertido en una marca internacional de referencia, valorada por arquitectos, interioristas y distribuidores de todo el mundo por su originalidad y versatilidad.

In 1993 we were born with a clear purpose: to create matter that surprises and allows to create unique projects. Since our origins, we have explored the technical and aesthetic possibilities of ceramics, to offer different and innovative products, capable of enhancing the originality and self-expression of people, making a world richer in beauty and sensations.

DUNE was born in the heart of the largest production area of ceramics in Spain, within a business group dedicated to the design and manufacture of small format ceramic tiles and decoration in third firing, but with a differential point, and that is that we have always have kept a special sensitivity for aesthetics and the tactility of our pieces, an enthusiasm that moves us day after day and that we want to spread through our designs.

In a short time, DUNE expands its creative capacity to new materials and products, transforming stone, glass, metal or wood into floor and wall coverings as well as mosaics and washbasins, all of them of great beauty and uniqueness.

Thus, with more than 25 years of experience and with the illusion and energy of the first day, DUNE has become an international benchmark, valued by architects, interior designers and distributors from all over the world for its originality and versatility.

Nos encanta experimentar con la materia y plasmar su esencia en la cerámica. Así, creamos series a partir de materiales genuinos como el CEMENTO o la PIEDRA para proyectos que respiran sensibilidad matérica.

We love to experiment with matter and capture its essence in ceramics. Thus, we create our series from genuine materials such as CEMENT or STONE for projects full of matter sensitivity.

Surge de la exploración del contorno, el volumen y la textura de la cerámica.
Cinco series con una filosofía común, pero una estética muy distinta:
#1 Líneas rectas y ángulos
#2 Líneas curvas y formas orgánicas
#3 El diálogo de las líneas paralelas con la textura
#4 El desafío del volumen y la forma en un producto técnico
#5 Hexágono: experimenta con la textura y las formas

#3 The dialogue between parallel lines and texture
#4 The challenge of volume and form in a technical product
