TERRASMALT: Valeur permanente et style personnel.

La marque TERRASMALT est le symbole d'une entreprise singulière, consacrée à la fabrication artisanale de carrelages, dallages et revêtements en terre cuite, où la créativité est une valeur en hausse permanente.

Notre expérience, fondée sur nos origines et traditions familiales, est notre meilleur aval, et nous a permis de nous développer et occuper à présent une place de choix, grâce à la qualité et la distinction de nos très diverses créations.

La qualité de nos matériaux est excellente; nous utilisons exclusivement les meilleures matières premières pour l'élaboration de toutes les pièces artisanales. La terre, l'eau et le feu sont les trois éléments naturels qui, soigneusement sélectionnés, combinés et mélangés par des mains d'artisans, donnent naissance à un produit très apprécié sur le marché.

TERRASMALT: permanent value and own style

With the trade mark TERRASMALT we have created a unique company, specialised in the handcrafted manufacturing of fired clay for paving and flooring, with creativity as a growing permanent value. A long family-tradition experience behind us has allowed us to continue growing and reaching today a renowned position in the market based upon the quality and distinction of all our several creations.

The quality of our materials is excellent as we exclusively use the best raw materials when manufacturing all handicrafts. Earth, water and fire are the three natural elements that, wisely selected, combined and mixed by craftsmen and women, result in a highly valued product in the market.

TERRASMALT: Bleibender Wert mit eigenem Stil

Mit der Marke TERRASMALT haben wir ein einzigartiges Unternehmen gegründet, das sich mit der handwerklichen Herstellung von Bodenbelägen und Verkleidungen aus Terrakotta beschäftigt, denn Kreativität ist ein Wert, der ständig zunimmt.

Wir stützen uns auf eine lange Familientradition, die es uns erlaubt hat, zu wachsen und einen anerkannten Platz einzunehmen, der auf der Qualität und der Besonderheit unserer verschiedenen Kreationen beruht.

Unsere Materialien sind von ausgezeichneter Qualität, denn wir verwenden ausschließlich die besten Rohstoffe zur Herstellung aller handwerklichen Stücke. Ton, Wasser und Feuer sind die drei natürlichen Elemente, die von künstlerischen Händen sorgfältig ausgewählt, zusammengestellt und vermischt, zu einem Produkt umgewandelt werden, das auf dem Markt sehr begehrt ist.
